Remote · U.S. Citizen | 678-793-2445 | manny@pachano.com | Portfolio | LinkedIn

PROFILE

Front-end developer with 7+ years of experience creating responsive websites and interfaces with HTML, CSS, JavaScript, jQuery, and PHP. Experienced in custom WordPress templates, reusable UI components, performance optimization, accessibility, and design-to-code implementation. Comfortable owning projects independently or collaborating with cross-functional teams.

TECHNICAL SKILLS

Development: HTML5, CSS3, JavaScript, jQuery, PHP, WordPress, custom templates, responsive design
Quality: WCAG 2.1 AA, semantic HTML, Core Web Vitals, Lighthouse, browser QA, Git/GitHub
Design & other: Figma, Photoshop, UX/UI, technical SEO, GA4, Google Search Console, Claude Code, Cursor

EXPERIENCE

Universal Environmental Services | Web Developer, Designer & Marketing/SEO Consultant (Contract) | **2026 - Present**

- Design the page mockups and lead the rebuild of a multi-state WordPress website, building custom PHP templates and responsive interfaces with HTML, CSS, and JavaScript.
- Develop reusable templates for 28 state service pages, SVG facility maps drawn from Census boundary data, and service-specific inquiry forms.
- Oversee technical SEO, mobile usability, accessibility checks, browser QA, and performance improvements.

TimeClick | Front-End Developer, Designer & Marketing/SEO Consultant (Contract) | **Nov 2024 - Present**

- Develop custom WordPress pages, responsive components, pricing interfaces, and landing pages using HTML, CSS, JavaScript, and PHP.
- Improve usability, site speed, and on-page SEO; contributed to growth from approximately 4,000 to over 30,000 monthly organic visitors.

nuVector LLC | Front-End Web Developer | **2023 - 2025**

- Developed features and maintained the UI for LoopManager, a B2B web app supporting returnable-container logistics for manufacturers.
- Collaborated with a development team to ship changes and debug interfaces in HTML, CSS, JavaScript, jQuery, and PHP.

Freelance | Web Designer & Developer | **2019 - Present**

- Deliver websites and landing pages from Figma design through development, testing, and launch.
- Build custom interfaces and content-managed sites; coordinate directly with clients on scope, feedback, and delivery.

EDUCATION

Georgia State University | Bachelor of Business Administration, Marketing | Cum Laude
